Chris did follow-up on your email and found out he is not due for physical till May 2016.  
Anyway we can verify this for deployment purposes?

Kendra,

I talked with Michael last month and he said I was not due for a medical surveillance exam until May, 2016. That's probably why I was not on your list the last time you met with our section. If that's not the case please let me know.

Thanks,

Chris A. Lister
